69.10 SNOW REMOVAL. In order to remove the snow more effectively, the following shall be in effect from October 15 through April 15, regardless of weather conditions.

1. All residents with driveways should park vehicles off the streets.

2. All other vehicles shall park on odd-numbered sides of the streets on odd days and on even numbered streets on even days.

A. The odd and even parking regulation mandates that from 7:00 a.m. on an odd-numbered calendar day to 7:00 a.m. the next day, vehicles must park on the odd side of the street (where the house numbers are odd). On an even day from 7:00 a.m. to the next day at 7:00 a.m., vehicles must park on the even-numbered side of the street.
